(5) A statement of the consultation which has been or will be conducted with other Federal departments or agencies; with regional, State and local Government bodies; and with individuals and nongovernmental groups re-

garding the requested action.

- (c) Prior to final action being taken in connection with an application, the applicant shall prepare, with the guidance and participation of the authorized officer, and subject to the approval of the authorized officer, the Secretary and other affected departments, agencies or offices, a resource management plan and implementation program regarding the use and management of any public lands with their related resources uses. Consideration shall be given to the impact of the proposed reservation on access to and the use of the land areas that are located in the vicinity of the lands proposed to be withdrawn. Where appropriate, the plan and program will be implemented by means of a memorandum of understanding between the affected agencies. Any allocation of jurisdiction between the agencies shall be effected in the public land order or legislation. In those cases where the Secretary, acting through the Bureau of Land Management, would continue to exercise partial jurisdiction, resource management of withdrawn areas may be governed by the issuance of management decisions by the Bureau of Land Management to implement land use plans developed or revised under the land use planning requirements of section 202 of the Act (43 U.S.C. 1712).

The authorized officer also shall prepare, for consideration by the Secretary, a proposed order or notice of denial. In the case of a national defense withdrawal which can only be made by an Act of Congress, the authorized officer shall prepare, with the cooperation of the applicant, a draft legislative proposal to implement the applicant's withdrawal request, together with proposed recommendations for submission by the Secretary to the Congress. The findings and recommendations of the authorized officer, and the other documents previously specified in this section to be prepared by the authorized officer shall be made a part of the case file. The case file shall then be sent to the Director, Bureau of Land Management. At the same time, a copy of the findings and recommendations of the authorized officer shall be sent to the applicant.

(1) If the applicant objects to the authorized officer's findings and recommendations to the Secretary, the applicant may, within 30 days of the receipt by the applicant of notification thereof, state its objections in writing and request the Director to review the authorized officer's findings and recommendations. The applicant shall be advised of the Director's decision within 30 days of receipt of the applicant's statement of objections in the Bureau of Land Management's Washington office. The applicant's statement of objections and the Director's decision shall be made a part of the case file and thereafter the case file shall be submitted to the Secretary.
